Description

Zejtun - Converted House of Character

Situated in a tranquil alley is this gem of a HOUSE OF CHARACTER beautifully restored and giving it a modern twist while respecting its original features. Property consists of a spacious hall leading to an open-plan living, dining and kitchen area overlooking a wide sunny courtyard. Upstairs one finds two double bedrooms (both with en suite), two rooms which are currently being used as washroom and storage, but can be easily converted in to a 3rd bedroom and bathroom and a lovely two large terraces. No detail has been spared when doing this property such as engineered oak floors throughout, floor-to-ceiling apertures, hand painted Moroccan tiles in bathrooms and much much more. This is the ideal house for someone who loves Maltese character yet the comforts of a modern house.

Property must be seen to be fully appreciated!

No agents pls.
